

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Celery Sprig is a gentle soothing shade, a pale, fresh green. It whispers of early spring growth and natural tranquility. This subtle hue offers light without being dull, making it perfect for creating an airy, serene atmosphere. We imagine it bringing the peaceful feeling of freshly cut grass and tender leaves indoors, turning any space into a restorative sanctuary. It's understated elegance combined with nature's restful calm.

Serenity, freshness, peace, natural light, renewal.
