This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Green Lightning is a vivid and uplifting sage green, reminiscent of new growth in spring. It possesses an airy lightness, yet maintains enough depth to provide a gentle grounding effect within any space. Choosing this shade introduces immediate energy without the harshness often associated with bright greens. It feels fresh, hopeful, and invigorating, promising a clean start or a serene escape depending on the room's function. It...

Freshness, optimism, tranquility, energy, renewal, lightness.
