

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This serene shade offers a gentle whisper of green. It is light and breathable, evoking the soft glow of early spring morning. Think of fresh linen drying in sunlight or the peaceful hues found deep within an English garden after a light rain. Tint Of Green is wonderfully adaptable, providing a subtle lift to any room without overwhelming it. It feels restorative, like taking a slow deep breath of clean air.

Tranquility, renewal, calm, freshness.
