

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This gentle seafoam green has an immediate sense of calm and rejuvenation. It evokes a light airy feeling like standing near tranquil waters on a breezy day. Think fresh spring foliage or the subtle tones found in weathered driftwood, making it perfect for creating a soothing background space. It is soft enough to feel comforting but bright enough to keep a room feeling open and fresh.

Peacefulness, natural calm, airy brightness, serenity.
