This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Aqua Tint is a delicate and refreshing shade, reminiscent of shallow tropical water under a clear sky. It is a soft pastel cyan with subtle hints of green, offering an air of gentle tranquility to any space. This hue acts as a perfect neutral when you want light without being stark. Decorating with Aqua Tint makes a room feel airy, expansive, and naturally uplifting.

This color invokes feelings of peace, serenity, rejuvenation, and calm. It suggests clean beginnings and a refreshing escape, making it ideal for bedrooms bathrooms, or sunlit living areas where tranquility is...
