

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Seabobble is an incredibly soft neutral pale grey blue. It catches the light beautifully, offering a sophisticated wash that feels calm and effortless. We often recommend it for living areas or bedrooms where tranquility is key. This shade evokes the feeling of a quiet coastal morning, a gentle sigh at sea level. It provides depth without being overpowering, making other decorative elements pop with subtle grace. Think peaceful...

Calmness, serenity, peace, sophistication, coastal retreat.
