

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Cobalt Glaze is a deep yet luminous blue, reminiscent of polished ocean depths or richly glazed ceramic tile. It possesses an undeniable sophistication, offering a sense of calm depth while maintaining vibrant energy. This shade evokes feelings of reliable tranquility and intellectual spaciousness. It suggests a peaceful retreat, like looking out over the open sea on a clear day, combined with the trustworthy embrace of deep sapphire...

Tranquility, Depth, Sophistication, Calm Energy, Reliability
