This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Sweet Illusion is an ethereal pale grey blue, a shade that catches soft light like a whisper on the morning air. It has subtle undertones of lavender and milky sky, creating a sense of serene depth without ever feeling cold. This colour acts as a perfect gentle neutral, providing a backdrop that lets both art and natural light shine through.

It evokes calm and airy spaciousness. Think of quiet mornings, the peaceful glow just before dusk, or stepping into a clean gallery space. Using Sweet Illusion helps to harmonize a room, making it feel tranquil...
