

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Blue Dart is an evocative shade of mid tone blue. It carries a balance between coolness and warmth, making it sophisticated yet welcoming. This serene hue suggests calm expanses like the sky just before sunset or gently filtered morning light. When applied to a room, Blue Dart creates an atmosphere of tranquil retreat. It supports natural materials wonderfully and provides a comforting depth without feeling overpowering....

Peacefulness, tranquility, calm, elegance, stability.
