This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Winter Rainfall is an incredibly serene and subtle cool grey blue. It is not stark nor dramatically dark; rather, it possesses a gentle lightness, much like the hazy sky after a light rain in late winter. This soft neutrality provides depth without overwhelming space, allowing natural light to truly reflect its muted surface.

This shade evokes profound calm and tranquility. It suggests quiet contemplation, refined elegance, and breathable serenity. Pairing it with warmer wood tones or rich natural greens allows the room to feel...
