This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A delicate and ethereal blend, Dawn Fog is painted in the soft embrace of early morning light. It carries the gentle whisper of sky meeting mist, a subtle wash of lavender grays that never feels cold. This shade is profoundly restful, invoking a sense of quietude and fresh beginnings. Imagine waking up to a tranquil scene where colors soften at the edges, giving your room an air of serene timelessness. It wraps a space in calm...

Tranquility, serenity, calmness, freshness, gentle rebirth.
