

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Misty Violet is an ethereal soft lavender shade, barely touched with grey. It evokes a sense of quiet calm and sophisticated nostalgia. Imagine finding peace in early spring light or watching dawn break through delicate clouds. This gentle hue wraps a room in serenity, making it feel airy, tranquil, and wonderfully understated. It pairs beautifully with natural woods and warm metallics for a timeless, calming backdrop.

Tranquility, calm, sophistication, gentle, ethereal, peaceful, nostalgic.
