

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Chateau Rose is a gentle whisper of blush and antique pink. It evokes the soft glow of candlelight on aged velvet, a hue reminiscent of blooming peonies in late spring. This delicate shade wraps a room in warmth without overwhelming it, creating an atmosphere that feels effortlessly feminine and wonderfully serene. Use it to introduce sophistication and romance, perfect for bedrooms or formal living areas where you desire...
