This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

New Chalk is a soft, ethereal off white, capturing the gentle light of a perfect morning. It possesses subtle warmth and creamy undertones, making it more dimensional than stark white. Applying this shade instantly brightens an entire space while maintaining a delicate sense of calm. It is an unparalleled backdrop that allows artwork and furnishings to truly pop.

The colour evokes feelings of tranquility, light air, and subtle elegance. It suggests a quiet beginning, the softness of natural linen, or a peaceful cup of coffee in gentle sunlight.
