ABOUT THIS COLOUR

Imagine the soft muted grey found on river stones after a gentle rainfall, or the pale wash clinging to coastal architecture near low tide. Damp Pebble is an incredibly calming neutral, balancing cooler silver undertones with just enough warm depth to feel enveloping rather than sterile. It reads as sophisticated understatement, providing a serene backdrop that allows art and furniture accents to truly shine.

This colour evokes tranquility, natural permanence, and effortless elegance. It feels grounding and refreshing simultaneously, offering a sanctuary of calm to any room it graces.
