This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Imagine fresh spring mornings and gentle sunlight filtering through new growth. White Clover is a delicate, muted sage shade with subtle hints of cool grey. It is calming, airy, and naturally soothing. This versatile colour brings a peaceful quality to any space, suggesting tranquility and renewed beginnings. It pairs beautifully with natural woods or pops of deeper accent colours for a sophisticated yet effortless look.

Peace, calm, freshness, serenity, balance
