This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

## ABOUT THIS COLOUR

Thimbleberry Leaf is a soft muted sage green beige. It is not a stark color but possesses the warm sophistication of aged patina or dried natural material. This gentle earth tone feels grounded and comforting, like sunlight filtering through autumn foliage. It whispers of quiet permanence and understated elegance.

*Choosing Thimbleberry Leaf invites feelings of tranquility, stability, and timeless comfort. It is restorative and calming, evoking a sense of restful enclosure, perfect for creating serene retreats or sophisticated living...*
