

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Grassroots is a wonderfully soft and warm shade of muted yellow beige. It has an earthy undertone, suggesting dry straw or sunbleached terracotta warmed by morning light. The colour feels natural, grounded, and instantly calming. Using it will wrap the room in a gentle embrace, promoting feelings of optimism, stability, and quiet comfort. It is a sophisticated neutral that works beautifully to illuminate space...
