This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A sophisticated neutral that evokes the warm glow of late afternoon sun on dry earth. Safari Scene is an earthy blend, marrying rich taupe tones with subtle hints of creamy gold. It is grounding without being drab and adds a layer of timeless elegance to any space.

This colour brings feelings of calm permanence and cultivated warmth. It suggests natural materials and well worn comfort, making it perfect for creating an enveloping sanctuary that feels both historic and entirely...
