

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Lavender Honey is an exceptionally warm and sophisticated beige with delicate undertones of soft lilac, like sunlight filtering through dried petals. It possesses a grounded warmth without being yellow or overtly brown, offering a truly subtle depth.

Choosing Lavender Honey evokes feelings of serene calm and nostalgic comfort. It suggests an airy retreat, like spending time in a sunlit conservatory or a gentle Mediterranean villa. The colour is profoundly restful y...
