This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A rich, dusty rose with undertones of deep mauve and subtle terracotta. Heart's Afire is sophisticated and warm, a hue that evokes the soft blush of sunset on old velvet. It is inviting, comforting, and possesses a timeless elegance.

This colour feels passionate yet mellow, like remembering a beautiful moment or the warmth of aged brickwork. It suggests romance, coziness, and confident femininity without being overly dramatic.
