

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Madeira Red is a rich, sophisticated tone, a deep muted red that pulls in warm earthy notes. It evokes the comforting glow of sunset against aged terracotta or Spanish stucco. This colour suggests warmth, history and grounded elegance. Think of worn velvet furniture in an old library, or pottery fired in Mediterranean sunlight. It wraps a room in a hug of mature colour.

Warmth, comfort, sophistication, historical depth, grounded luxury, intimate coziness.
