

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Bramble Jelly is an earthy and sophisticated shade, evoking the deep tones of rich terracotta mixed with damp autumnal leaves. It is a grounding yet subtle color, offering warmth without being overwhelming. This hue suggests comfort and natural aging, perfect for creating rooms that feel established and inviting. Use it to wrap your space in a gentle embrace, a tone that feels both timeless and restorative.

Warmth, stability, sophistication, rustic elegance, deep calm.
