

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This exceptionally soft shade, which we call Jewel White, is not a stark pure white. Instead, it possesses an undeniable warmth and depth, giving it the creamy undertones of pale stone or aged linen. It acts as a sophisticated neutral that brightens any space without ever feeling cold or clinical. It provides an ethereal glow, wrapping a room in gentle light. We recommend Jewel White for primary living areas, bedrooms, and...

Jewel White invokes tranquility, classic elegance, and serene comfort. It suggests an atmosphere of peaceful retreat, like stepping into sunlit gallery or a carefully curated sanctuary.
