

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Winter Feather is a muted sophisticated grey green shade. It recalls the delicate dusty pallor of feathers against a winter sky. This calming neutral tone offers subtle depth without dominating a space, making it exceptionally versatile and elegant.

It evokes a sense of quiet serenity and timeless sophistication. The color suggests natural light entering an airy room, creating a restful and harmonious atmosphere. It is comforting yet refined, providing a perfect...
