

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This delicate shade, which we call Paraffin, is an elegant soft off white with hints of warmth. It possesses a soothing neutrality that acts like a sophisticated canvas for any room style. Its gentle depth reflects natural light beautifully, giving spaces an air of quiet calm and refined simplicity. Choosing Paraffin allows you to create a bright yet grounded atmosphere, suggesting timeless elegance without the starkness of pure white.

Peacefulness, serenity, breathability, classic sophistication, restful repose.
