

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A deep earthy brown, Conker is reminiscent of damp wood and rich autumn leaf litter. It offers an incredibly grounding presence, enveloping a space in comforting warmth. This shade suggests stability and timelessness, drawing inspiration from the inherent beauty of natural materials. Using it can make a room feel like a cozy, secluded sanctuary, perfect for unwinding or creating intimate conversation areas.
