

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Undergrowth is an earthy, muted shade, reminiscent of moss creeping over damp forest floor stone. It holds the comforting neutrality of a sophisticated natural palette, blending subtle greys and deeper browns into a calm tapestry. Selecting this colour brings with it a feeling of peaceful enclosure and grounded permanence. It whispers of cool shade on twilight, evoking introspection and a sense of serene retreat, making any room...
