

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

White Chip is a warm neutral shade that provides an ethereal soft backdrop. It possesses a subtle hint of creamy beige, making it far warmer than stark white while maintaining a fresh, luminous quality. This remarkable offwhite complements natural light beautifully and allows other decorative elements to truly shine.

It evokes feelings of calm and tranquility, like a sunlit coastal morning or freshly laundered linen. It feels airy, gentle, and timelessly elegant. Choosing White Chip brings immediate visual peace into any room, offering ...
