ABOUT THIS COLOUR

A warm earth tone, Brown Basket is reminiscent of dried grasses and terracotta pottery. It holds a comfortable balance between rich chocolate browns and soft tan ochres. When applied to walls, it creates an embracing, grounding atmosphere, making any space feel immediately cozy and naturally sophisticated.

This hue speaks of autumnal warmth, the security of a hearth fire, and quiet contentment. It evokes feelings of nostalgia and permanence, lending depth and timelessness to a room without ever feeling heavy or dull.
