

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

## ABOUT THIS COLOUR

Chaparral is an earthy, muted tone, reminiscent of dry Mediterranean scrubland. It is a sophisticated blend of tan and soft olive, grounding a room with natural warmth. This colour suggests the comforting embrace of autumn afternoons or the gentle permanence of natural stone. It evokes feelings of serene tranquility and quiet confidence, making any space feel immediately rooted and restful. Use it to create an atmosphere tha...
