This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Muted Copper is a warm earthy shade, reminiscent of aged patina and rich autumn leaves. It balances the intensity of pure bronze tones with the soothing quality of deep terracotta. This colour does not scream for attention; rather, it offers a gentle embrace. It is sophisticated without being severe, providing depth and warmth that grounds a room's design.

It evokes feelings of comfort, timeless elegance, and cozy retreat. Think of candlelight in the early evening, or the feeling of a deeply comfortable cashmere throw. Muted Copper suggests permanence and quiet...
