

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Red Clay, #692300, is a deeply warm earth tone, a rich mix of terracotta and mahogany. It evokes the feeling of ancient structures, solid foundations, and sun baked earth. It wraps a room in comforting warmth, lending an atmosphere that is simultaneously grounded and sophisticated. Imagine sitting by a hearth or walking through Mediterranean ruins; Red Clay offers permanence, warmth, and rustic elegance, making it ideal for...

Warmth, grounding, comfort, sophistication, history, stability
