This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A rich and profound earth tone, Deep Russet is inspired by old leather and damp terracotta. It is neither strictly brown nor merely red, possessing a grounded depth that feels immediately enveloping and comforting. This colour speaks of permanence, evoking the cozy warmth of a hearth or the natural patina of aged wood. Applying Deep Russet brings an instant sense of historical gravitas to a space, making it feel...

Cozy, grounding, sophisticated, warm, enduring, natural
