

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Malibu Sunset is a warm coastal blush, capturing the soft glow of late afternoon sunlight hitting sand and sea glass. It is neither aggressively orange nor deep terracotta; rather, it suggests the perfect transition between golden coral and gentle peach. This shade evokes feelings of effortless vacation, comforting nostalgia, and optimistic warmth.

Tranquility, warmth, joy, seaside ease.
