

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Seaside Pebble is an exceptionally calming neutral shade. It evokes the feeling of walking along a quiet beach on an overcast day, where the sand meets smooth, light weathered stone. This subtle hue suggests peaceful transition and natural elegance. When used in interior design, it wraps a room in a gentle luminosity. It allows artwork or pops of colour to stand out without competing, creating a backdrop that feels timeless...

Tranquility, natural repose, subtle sophistication, calm, airy elegance.
