This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Cream Cake is a delicate and soothing off white. It possesses a subtle warmth, reminiscent of fresh baked goods or creamy vanilla. This soft hue acts like an elegant canvas, gently brightening a room without the stark intensity of pure white. When used in decor, it imparts an immediate sense of calm and sophisticated lightness.

It evokes feelings of gentle comfort, timeless elegance, and restful tranquility. The shade is inherently uplifting yet grounded, providing a peaceful backdrop that allows furniture and art to truly shine.
