This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Peregrine is a whisper of pale blue green, reminiscent of hazy summer mornings and faded antique linens. It possesses an airy lightness without being stark, wrapping a room in a calm, washed quality. This hue invites tranquility and breath, softening the harsh edges of everyday life. Choosing Peregrine lends a delicate sense of timeless elegance, allowing natural light to seem amplified. It evokes feelings of gentle repose, quiet...

Tranquility, serenity, timelessness, lightness, repose.
