This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Moody Sky is a sophisticated and deeply calming shade that evokes the gentle dusk settling over an open vista. It possesses an inherent quietude, like staring into the sky just after sunset when the blues transition to soft greys. This colour suggests depth without being dramatic, offering a serene backdrop for any room.

It brings a feeling of tranquil introspection and grounded calm. Think of comfort found in solitude, or the peaceful moment before twilight falls. It is naturally moody but never oppressive, inviting relaxation and...
