

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Pittsburgh Gray is a wonderfully balanced midtone neutral. It reads as a subtle mix of cool silver and gentle stone, giving it an elegant softness. This shade acts like a perfect blank canvas, providing sophistication without the starkness of pure white or charcoal black. It grounds a room beautifully and allows architectural features to take centre stage.

It evokes feelings of serene calm and timeless dependability. Think of well curated industrial loft spaces or peaceful harbor views; it suggests quiet strength and enduring style, creating an atmosphere that feels bot...
