This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Burnished Blade is a sophisticated neutral grey green, deep enough to provide depth but light enough to feel airy. It evokes a sense of quiet refinement and timeless elegance. Think of aged patinas on copper or the subtle sheen of river stones. This shade brings stability and calm, allowing art and furniture to be the true focal points in any room. It is versatile, working beautifully in both modern spaces seeking an architectural...
