

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A sophisticated grey green that absorbs light with quiet elegance. Summer Shadow is not an imposing shade, but a deep, restful whisper. It suggests twilight after a summer day, the moment the intense heat gives way to cool calm.

This color evokes feelings of serenity and grounded luxury. It creates an atmosphere of hushed sophistication, perfect for spaces that need to feel both deeply comforting and distinctly chic. Think quiet...
