ABOUT THIS COLOUR

A whisper soft off white, Cotton Tail is designed to illuminate rather than overpower. It recalls the perfect morning light filtering through sheer curtains and the gentle pallor of expensive linen. This versatile shade provides a comforting backdrop allowing natural beauty and accent colours to truly shine. Applying it transforms a space into an airy sanctuary.

It evokes feelings of calm, tranquility, and sophisticated neutrality. It is calming, restful, and immediately makes any room feel more spacious and bright, offering a sense of serene starting point for a fresh design...
