ABOUT THIS COLOUR

On The Edge is a sophisticated and muted shade of grey violet, a complex blend that resists being categorized fully. It acts as an elegant anchor for any room, providing depth without overpowering the space. This tone has subtle undertones of dusty sage and smoky lavender, making it incredibly versatile. We recommend pairing it with warmer woods or metallic accents to allow its nuanced cool base to shine.

It evokes a feeling of quiet luxury and gentle formality. It suggests calm confidence, perfect for creating restful, contemplative spaces that feel both grounded and stylishly sophisticated.
