

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A sophisticated and calming shade, Steel Mill is a beautiful midtone grey blue. It evokes the quiet strength of industrial elegance combined with a gentle sense of permanence. Think of cool dawn light reflecting off polished metal or the steady serenity of an overcast sky. This colour brings a balanced atmosphere, offering depth without becoming oppressive. It feels grounded, reliable, and wonderfully modern.

Calmness, strength, balance, reliability, sophistication.
