This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Field Mushroom is an exceptionally muted neutral shade, a gentle blend of warm and cool grays, lavender and pale taupe. It possesses a subtle warmth that prevents it from feeling cold or institutional, making it wonderfully adaptable to various light conditions. This sophisticated color acts like a quiet canvas, allowing architectural features, art, and furnishings to truly take center stage.

It evokes feelings of calm composure, timeless elegance, and grounded serenity. It suggests the comforting stability of natural stone or the gentle quality of undisturbed afternoon fog, promoting a restful and...
