ABOUT THIS COLOUR

Quarry Cliff is an earthy blend of soft grey and muted sage green. It possesses the sophisticated neutrality of natural stone combined with a gentle warmth. This shade speaks of rustic elegance, providing depth without overpowering any space. Consider it an anchor colour, one that brings calm sophistication to rooms meant for restful living or quiet contemplation. We recommend pairing it with lighter woods or pops of deep jewel...

This colour evokes feelings of stability, timelessness, and grounded peace. It is the perfect backdrop for creating an atmosphere of serene comfort, making any room feel cohesive and deeply restful.
