

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Deconstruction is an elegant neutral, a sophisticated blend of warm and cool greys. It possesses the subtle depth of aged stone and muted velvet. This tone whispers of calm permanence, providing a backdrop that enhances, rather than dominates, any decor elements. Choosing Deconstruction creates a serene atmosphere, evoking feelings of grounded stability, quiet sophistication, and timeless peace. It is a colour...
