

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Tornado is a gentle neutral, a soft muted grey with underlying hints of cool taupe and faint slate. It is an adaptable shade, possessing a subtle sophistication that allows it to recede into the background while providing structure to a room. Its neutrality means it pairs effortlessly with nearly any accent colour, making it perfect for those who desire an airy, timeless backdrop without committing to a specific palette.

It evokes feelings of calm, quiet strength, and refined simplicity. Imagine a peaceful morning mist or the smooth surface of polished stone; Tornado suggests serenity and sophisticated restraint. It is calming yet...
