

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Berliose is a calm and sophisticated neutral. It sits beautifully between soft grey and pale sage, creating an immediate sense of tranquility. This shade offers versatility, acting as a perfect backdrop that allows artwork or furnishings to take center stage without competing. It whispers of muted stone and cloud cover, giving any room an airy, restorative glow. Painting with Berliose feels like wrapping the space in a gentle embrace...

Calmness, sophistication, tranquility, serenity, restraint.
